#### BASILEUS CORNER

Greeting My Brothers,

I greet you the love and joy of our Lord and Savior Jesus Christ! For you are all always in my prayers.

I am humbled, honored and blessed to receive the prestigious Omega Man of the Year Award that reflects the higher-level teamwork we accomplished together this year. I learned on my life journey "no one" accomplishes anything of significance alone! My heart is touched by the Brothers who shared their gifts, personal time and talents to uplift families in the community during this pivotal time in our lives. Brothers who sacrifice their time to ensure that others are successful. Brothers who give of themselves just because they care to

make the world better! Again, thank you so much for your confidence in my leadership and working to move Mu Nu Chapter to higher heights! This award truly represents a "Championship Team" that was intentional, engaged and determined to make Mu Nu Chapter shine!

As we welcome in new Omega men into our Chapter let's make sure they received proper mentorship! In addition, we have several new brothers joining mighty Mu Nu Chapter, let's continue to provide the historical knowledge and share our wealth of experience with them. Mentoring Matters - I encourage everyone to find a mentor or be a mentor within our chapter to connect, learn and grow! Be a Friend!

I encourage everyone to discover their passion and join at least two committees that you believe suits your talents, gifts, skills and be actively engaged to help move Mu Nu Chapter to greatness! There are several upcoming events on the horizon that will provide an opportunity to learn and gain a better understanding of how our chapter is making a difference in the lives of the communities we serve.

Congratulation to Brother Neighbors for receiving this year Superior

Service Award honors for his exemplary performance serving effectively in several leadership positions that showcases the best of Mu Nu Chapter. Also, congratulation to his committee and all the brothers who participated in the week-long activities to celebrate 2018 Achievement Week and Founders Day Banquet - another special Mu Nu moment! We celebrated some exceptional young males that are graduating from MCPS. We celebrated another outstanding Citizen of the Year recognizing our own Brother Greg Wims who has served Montgomery County community in an excellent way impacting thousands of lives because of his dedication to service above self.

Founder's Day will be on Saturday, November 17th entering 107 years of our beloved Fraternity! The event will take place at Howard University and I hope that every brother who can attend will join us. Again, stay connected for additional information. Amazing, it's 107 years and still counting!

Veteran's Day is approaching, and I want to salute and extend my gratitude to all those who serve in the military. To every Veteran, past and present and to those brothers who served and continue to serve both country and this brotherhood - your dedication and service are beyond words. On behalf of

a proud Nation thank you for your service!
